

PROJECT 142

September 14, 2015

Edmund Burke said, “The only thing necessary for the triumph of evil is for good men to do nothing.” Truly now, just as in times past, there exists a cause for good men to do something, and this is the very cause that drives us to bring the Gospel of Jesus Christ to the unreached Muslim people.

We are ready and willing to do what we can as well as we can do it, but this is an undertaking we don’t want to start alone. God has placed amazing people by our sides that believe in us, and that is the **only way** we intend to start this. If we start strong **with you at our side**, we know that we will finish the same way - strong.

We know we have an ambitious plan set before us, and that’s why we need you to stand with us. We will always be thankful for your continued support so that we can keep this pace even after we complete our initial language training.

If you are considering partnership, or even a one-time donation with Project 142, there are a few easy ways to give your tax-deductible gift:

They are a non-profit tax-exempt public charity organized for the purpose of helping us accomplish our charitable objectives. This foundation allows us to provide you with a tax-deductible receipt when you submit your gift to us. Please see their website for more information.

Once again, we want to say **thank you** for partnering with us and praying for us as we single-mindedly move forward with what God has called us to do.

Sincerely,

Patrick and Teresa Houghteling

FACTS & thoughts

The ESSENTIAL MISSIONARY TASK

is to establish a **viable, indigenous, church planting movement**, that carries the potential to renew whole extended families and transform whole societies.

THAT IT CAN
GROW
ON ITS OWN

THAT IT'S
NOT SEEN AS
FOREIGN

THAT CONTINUES TO REPRODUCE
INTERGENERATIONAL FELLOWSHIPS
THAT ARE ABLE TO EVANGELIZE
THE REST OF THE PEOPLE GROUP

People Group

a significantly large group of individuals who perceive themselves to have a common affinity for one another because of their shared language, religion, ethnicity, residence, occupation, class or caste, etc.

Unreached People Group

a people group within which there is no indigenous community of believing Christians able to evangelize this people

Of the **253,000** missionaries (both foreign and those working within their own cultures) only 24,300 or **9.6%** are working among the unreached people groups.
[Global Mission Database]

With over 1,000 churches per unreached people group, the Church globally has **more than enough** resources to accomplish the task of bringing about a following for Christ within every people group.

Truly, there is a cause.

The Great Commission is DOABLE!
and we completely agree.
