

FULLY KNOWN MINISTRIES

who you are | what you have | how to get it

FEBRUARY 2020

Known Ministries is launching out and accepting invitations to speak and teach both domestically and internationally.

We believe that it is absolutely necessary to go and train believers, i.e., disciple them in the Word of God and raise up leaders for the work of the ministry.

That's why we are excited to tell you this news: In March of this year, Teresa, ministering with another wonderful ministry based in Colorado Springs, Teach All Nations, will be traveling to Myanmar (Burma), in Southeast Asia. Teaching and discipling the women of Myanmar, her heart's desire is to edify and equip them by educating them who they are in Christ. This will not only change their individual lives, but also impact the lives of those around them.

Myanmar:

Hot - an 89.6°F yearly average.

Wet - lying within the monsoon region of Asia.

Controversial - recently at the center of world attention with its government's campaign of ethnic cleansing against the Rohingya Muslim people.

It is here that we choose to send Teresa and Fully Known Ministries out for the first time. It is here that Teresa will teach the women of Myanmar exactly who they are in Christ, what they have and how to get all that God has supplied for them through faith in Christ. And it is here that we believe God will open many other doors of opportunity to affect the world.

W. Clement Stone, American businessman and philanthropist, once said, "Definiteness of purpose is the starting point of all achievement." There is a creation, a conception of passion, in a heart that is firm in its revelation of its specific Definiteness of Purpose. Knowing there is no passion to be found in playing and risking small – in settling for a life that is less than the one you are capable of living – Fully

2019 was a building year for us. It was a year of working on and building an unwavering foundation for the ministry based on teaching Biblical truths contained in the Word of God. We believe that with this past year of preparation and sowing, it will yield

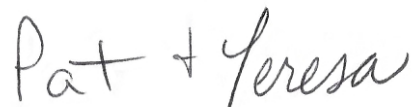

a bountiful harvest in time to come. With other possible upcoming international trips to Indonesia and Sri Lanka in 2020, as well as speaking and teaching opportunities here in the United States, we are excited for all that God has planned for the future of Fully Known Ministries.

On an equally exciting front, Patrick, through Fully Known Ministries, is in preparation for a trip to an undisclosed location in the Middle East to carry discipleship and evangelism teaching materials to several Christian groups. Decimated and burdened by both long periods of war and the oppressive Islamic religion, these hidden, small bodies of believers are struggling and hungry for proper training that will educate them on what the Word of God and faith in Jesus Christ means for them. We fully believe that the solution to the problems of the Middle East lies not with bullets, but with the Word of God. Discipling and equipping this small minority body of indigenous Christian believers, we believe, will ignite them and be the catalyst for change needed within their own families and regions.

As our ministry is rapidly expanding its reach at home and around the world, we know that God will supply all our needs through the faithfulness of our partners and supporters. Believing this, it's necessary to communicate to you the need for both prayer and financial support for these upcoming endeavors. Averaging \$2500.00 per trip abroad (airfare, lodging, food and transportation), we are extremely thankful for the financial support that enables us to disciple believers around the world.

When you choose to partner with or donate to Fully Known Ministries, you are among a special group of people whose giving provides a solid foundation for our ministry efforts to see lives changed with the Word of God. Please know that it is your faithful support that enables us to continue our passion to teach and proclaim to the body of Christ their identity of who they are, what they have, and how to get it.

All our best,

Patrick and Teresa Houghteling
