

# FULLY KNOWN MINISTRIES

who you are | what you have | how to get it

MARCH 2020

**Go and make disciples of all nations.** It's an idea that encourages, or rather demands, proactivity. It's choosing an attitude of faith in what God calls us to do regardless of how we evaluate the situation set before us. There is always a choice to either consider and meditate on the promises of God, or focus on the circumstances around us which would only bring us to the conclusion that we are outnumbered and doomed. We believe there is unseen power and ability available to all who believe.

Matthew 16:18 speaks of how *the gates of Hell will not prevail against a Church that is founded upon a very specific revelation, the revelation that Jesus is the Christ, the Son of the living God.* There is spiritual warfare set before us, and the Church cannot choose a weak and defensive posture when faced with this battle. If we want to fulfill the Great Commission, and if we truly seek to advance on the stronghold that the gates of Hell protect, the Islamic world, we need to go on the offensive.

Because of this, **Fully Known Ministries (FKM) is initiating an aggressive Middle Eastern Discipleship Evangelism Project that will take us from the western edge of Morocco, east across North Africa to Jordan, then south from Damascus, Syria, and eventually to the southernmost Arabian Peninsula to currently inaccessible, war-torn Yemen.**

Conducting an initial process evaluation in July that will carry discipleship and evangelism teaching materials to several Arab Christian groups, Patrick and FKM ministry associate, Ken Leake, are in preparation, making contacts and scheduling meetings with local bodies of believers.

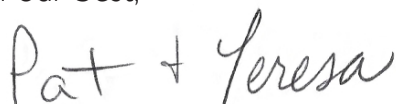

Decimated and burdened by both long periods of war and the oppressive Islamic religion, these hidden, small bodies of believers are struggling and hungry for proper training that will educate them on what the Word of God and faith in Jesus Christ means for them. **We fully believe that the solution to the**

**problems of the Middle East lies not with bullets, but with the Word of God.** Discipling and equipping this small minority of indigenous Christian believers will kindle them to be the catalyst for change needed within their own families and regions.

On another front, Teresa has undertaken an exciting project ministering by livestream to large groups of believers in China, some of whom are currently quarantined due to the Coronavirus. Ministering the heart of Fully Known Ministries' vision of who you are in Christ, what you have and how to get it, her teachings are edifying these believers and causing their focus to shift from their circumstances around them to the power contained in the Word of God.

In presenting this to you, Fully Known Ministries needs partners and supporters in this call, both financial and prayer partners, that will agree with what the Lord has commissioned us to do. Averaging \$2500.00 per trip abroad (airfare, lodging, food and transportation), we are extremely thankful for your tax-deductible gift that enables us to disciple believers around the world. God bless you and your family as you consider supporting us in God's plan for carrying out the Great Commission.

All our best,

Patrick and Teresa Houghteling
