

FULLY KNOWN MINISTRIES

who you are | what you have | how to get it

MARCH 2021

Saturday, March 20, marks the first day of spring in the Northern Hemisphere, and with that coming, a quote by Mark Twain comes to mind: "In the spring, I have counted 136 different kinds of weather inside of 24 hours." This has certainly proven true lately, that's for sure. It's good that the Lord gives us seasons in our lives, though, both literally and metaphorically. It's also good that seasons pass as they do because it keeps things interesting. Here's an update of the interesting things going on with Fully Known Ministries.

Teresa was given a great opportunity recently when Andrew Wommack called her up on stage during the Orlando Gospel Truth Seminar to talk about her book, *The "Unhealed" Believer: What to Do When*

You've Done It All. If you haven't had a chance to read through this great book about the how-to of receiving healing, then you're missing out. We encourage you to get it. You will be blessed! And if you aren't familiar with Andrew Wommack Ministries and Charis Bible College, we highly recommend you check them out. God has changed our lives through them.

For the better part of a day last Sunday, we had our home turned into a video recording studio and were interviewed as part of a new teaching series on how God intended marital relationships to be. Our testimony will be featured as a witness to the restorative power of God's grace and mercy. Love, sex, and marriage are topics that are seldom discussed in the church, and in the absence of truth, lies proliferate. This new series called "Charis Relationship University" focuses on God as the proper author of all relationships, and how He wants you to know the truth about them.

Freedom Friday has started. You're probably thinking to yourself, *What's that?* Well, we already have a How-To Tuesday (Tuesdays 8pm EST), and a What-To-Do Wednesday (Wednesdays 11am EST) in the Fully Known Ministries weekly teaching lineup, so it seems completely natural that a Freedom Friday (Fridays 9am EST) should follow! You can watch Freedom Friday and all the other weekly teachings on the Fully Known Ministries website, Facebook, and YouTube channels.

Freedom Friday is a weekly teaching by Patrick focusing on the true freedom we have as believers in Jesus Christ. Concentrating initially on the cancer of pornography in the church, it will eventually move on to other topics such as freedom from fear, anxiety and even having a works mentality.

But as for now, the primary focus is the huge, unspoken problem of sexual immorality in the church. If you or someone you know is battling with pornography, make sure you join us or send the link to those who need it.

We want you to know that without you, our faithful partners and supporters, we could not be doing ministry such as this. You are vital in enabling us to effectively carry the Gospel of Jesus Christ around the world.

If you are not yet a partner and would like to be a part of what God is doing through Fully Known Ministries, we encourage you to prayerfully consider partnering with us.

All our best,

Patrick and Teresa Houghteling
