

FULLY KNOWN MINISTRIES

who you are | what you have | how to get it

MAY 2021

Something incredible is happening. Something amazing within the body of Christ that's pressing upon us to teach with a fervency to those who would incline an ear to listen. It's something we've also seen and heard others talk about lately, and not just those sitting within earshot at the local café. **We've heard anointed men and women, God's Generals, speaking boldly about an awakening that's not only coming, but one that has already begun.** It's a stirring in the spirit realm that has the potential to change nations.

AWAKENING

What is it? As A.W. Tozer put it, we believe it's a "Following hard after God," a pursuit of all that's holy, righteous, just and pure in our precious relationship with the Lord. It's a coming near to the holy men and women of the past and feeling the heat of their desire after God. It's a rising of hearts, an intentional gaze of the soul away from the choices of carnality and sin in the world, to a position of sanctification so often demanded of us under the New Covenant through faith in Jesus Christ.

How is Fully Known Ministries responding to this awakening? **We are striving to do precisely and only that which the Lord called us to do. As the body of Christ, staying in our lanes, or within**

the spheres to which God appointed us, will cause us to be the most effective we can be in the spiritual battle that's raging for our very souls. Here's an example of why this is so important: On the actual battlefield of war, you're given a "left and right lateral limits" of where you can engage the enemy. These lateral limits, combined and overlapping with other fighters operating on your left and right flanks, will eliminate all gaps in coverage of your field of fire (the area you are responsible in attacking and defending).

In staying with a military theme of our newsletter this month, we want to give you a Situation Report (SITREP) on three areas of ministry within Fully Known Ministries.

1 First, in the international area of operation (AO), we capped off the week with a powerful Saturday morning meeting with believers in Malaysia. Individual prayer for believers followed a powerful message of the healing provided for us by faith in Jesus Christ.

Secondly, great comments like the one below continue to come in about Freedom Friday, a weekly teaching dedicated to being set free from the bondage of such things as sexual immorality, fear, and anxiety.

2 *"...we have begun this journey of seeking a deeper, more authentic, genuine relationship with the Lord. Of course, we learn from the content you share; **but what gets me...is how you are helping me so much with cultivating a lifestyle that is Christ-centered.**"*
