MINISTRY UPDATE

SEPTEMBER 2021

Teresa and I moved again. We're in North Carolina on the coast, and we really do love it. Why did we leave South Florida? Well, the deep, philosophical explanation is simply because we wanted to. Not much more to it than that. We had been praying about relocating for most of last year, and after a reconnaissance trip in late spring to friends here on the coast of NC, we had peace with the decision. Soon thereafter, we loaded the U-Haul truck, pointed it north and launched it about a month ago. So, we're here, we love it, and Gunther, "The Wonder Dachshund," seems to love it ... or at least he loves the big toads in the backyard.

Here's an update of what's going on with Fully Known Ministries. You can catch the Tuesday and Wednesday teachings on the sites and times listed. The international meetings are only viewable to those in the particular countries listed.

Teresa's **How-To Tuesday** teaching, (Healing Journeys Today – YouTube and Facebook) **7pm EST**

WEDNESDAY

MONTHLY

Teresa is also busy working on her second book, of which she's keeping the subject matter highly classified. I can tell you from watching her research and write, that she's excited, focused and determined about the project, as she always is.

We want you to know that without you, our faithful partners and supporters, we could not be doing ministry such as this. **You are vital in enabling us to effectively carry the Gospel of Jesus Christ around the world.**

If you are not yet a partner and would like to be a part of what God is doing through Fully Known Ministries, we encourage you to prayerfully consider partnering with us. You can do so, or make a one-time donation, by visiting fullyknownministries.com/donate.

All our best,

Patrick and Teresa Houghteling
