

FULLY KNOWN MINISTRIES

who you are | what you have | how to get it

MAY 2022

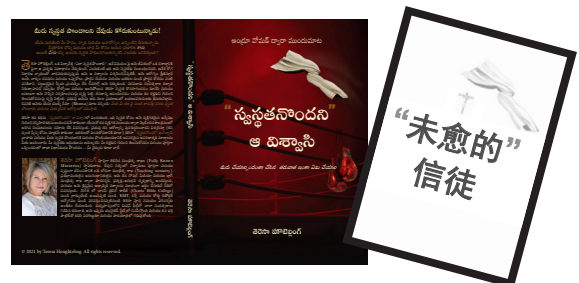

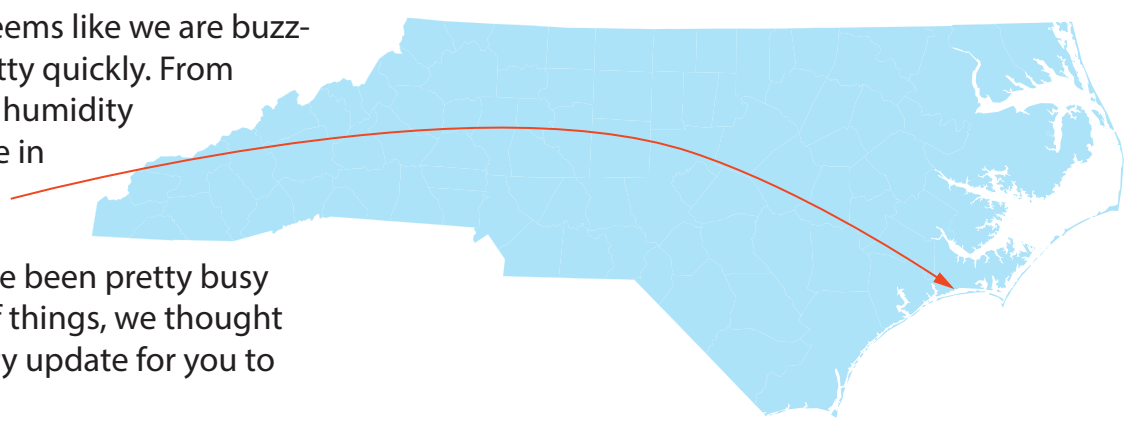

Winter is gone and it seems like we are buzzing through spring pretty quickly. From the warm weather and humidity we've been having here in coastal North Carolina, summer cannot be far behind. And since we've been pretty busy lately with a number of things, we thought we'd send out a ministry update for you to know what's going on.

Patrick recently returned from South Florida where he had an opportunity to serve with and assist in the training of a number of different ministry security teams. Teams from Andrew Wommack Ministries/Charis Bible College, Church of the Word International in Pennsylvania, as well as many different representatives of the Faith Based Security Network (FBSN) from across the United States, took part in the week-long training hosted by Pastor Kurt Owen of Kurt Owen Ministries. This training, concentrating on executive protection within a ministry setting, provided the attending ministries with important skills needed to protect both the ministry staff and the families attending their respective churches.

If you haven't heard of Kurt Owen Ministries yet, the founder, Pastor Kurt Owen, is considered a pastor to pastors. He has been ministering both domestically and internationally for over 30 years, and has an exceptional, very unique daily television broadcast called *Fight To Win*. Aired nationally on the Christian Television Network, gospeltruth.tv, and several local

affiliates, Pastor Kurt uses his active instructor certifications in specialized fields such as executive protection, personal protection, firearms and hand-to-hand combat to minister the Gospel in a way that no others are doing. Make sure to check it out when you get a chance!

Also keeping us busy lately has been the conversion of existing Fully Known Ministries' teachings into the German, Chinese, Arabic, Spanish and Telugu languages. Utilizing a software platform that provides voiceovers, generates subtitles, and also produces printed transcripts in the target languages mentioned, we are now able to make disciples and preach the Gospel to regions of the world where we're not yet able to travel. Thanks to Hans in Germany for assisting us in this endeavor.

We also continue to have a great time during our weekly livestream broadcasts called **What-To-Do-Wednesdays**, or as we affectionately call them, *Coffee Talk, Witty Banter and Most Things Spiritual with Patrick and Teresa.*

Answering biblical questions we receive through our ministry website, we believe this time of teaching encourages and builds up those who have unanswered biblical/spiritual questions roaming around in their hearts. (Wednesdays, 11:00am EST via Facebook or YouTube.)

Sundays still find us blessed with teaching the faithful at a nearby home church, and Teresa continues to record video teachings for our ministry website and YouTube page. She truly is an anointed teacher.

Keeping our minds on the Word of God, we are reminded of Galatians 6:10 where Paul exhorts,

As we have opportunity, let us do good to everyone, and especially to those who are of the household of faith.

It's an honor and privilege to be able to minister the Word of God, and we couldn't do it without you. Through your prayers and faithful giving, you help us continue to effectively spread the Gospel both here and around the world.

Sincerely,

Pat + Teresa

Patrick and Teresa Houghteling
