MINISTRIES

who you are | what you have | how to get it

August 2022 Update

When the Apostle Paul traveled to Jerusalem from Syria to explain to the church leaders the Gospel of Jesus Christ he was preaching to unbelievers, they added nothing to the message he preached. Only that they encouraged him to remember the poor, the very thing he indicated he was eager to do.

This shows us that in addition to proclaiming the good news of Jesus Christ through preaching and teaching, as the Body of Christ we are to demonstrate and live out the love of God in our lives by providing for the poor and needy around the world. This, as the Bible puts it, is “Pure and undefiled religion before God.”

With that in mind, Teresa and I would like to briefly highlight a wonderful ministry we are working with called Christ Central Ministries, which is based out of the city of Tuni in the southeastern coastal region of Andhra Pradesh, India.

Christ Central Ministries is a non-profit, Christian ministry that is dedicated to promoting the preaching and teaching of God's Word clearly and boldly among the unreached. Their mission is to help and work among the neediest people in India through free medical camps, free food distribution to the homeless, orphan care, and helping poor students to continue study by providing for their needs. This is just one of the many charitable foundations you, our partners and supporters, enable us to help by your faithful support to Fully Known Ministries.

Teresa and I also recently took a trip south – way south actually – to Stuart, Florida, for our Pastor Kurt Owen’s 30<sup>th</sup> anniversary in ministry. It was a two-and-a-half-day event where both Pastor Kurt and guest speaker Andrew Wommack taught on how to control your destiny through the biblical principle of seed, time and harvest. It was a great time of refreshing for us, and also a chance to connect with the former church we attended while living in South Florida. Needless to say, however, it was a tad hot down there!

Within the past few months, Teresa was honored with the privilege to speak not just once, but on two separate occasions at the Charis Bible College extension school located in Raleigh, NC. This extension school is under the directorship of two very good friends of ours, Kevin and Suzy Rhatigan.

Teresa ministered the Gospel, the good news of what was provided for us by the completed works of Jesus Christ through His death, burial and resurrection. We are so thankful that the abundant life provided for us in salvation is by believing alone, and not by our own self-righteous works. That's the freedom that Jesus came to die on the cross for. You can view these teachings on our YouTube Channel under the titles "Day of Healing" (3 sessions) and "A Word on Revelation."

On a personal note, Teresa and I, while driving back from Teresa's niece's wedding in Iowa recently, made a spontaneous decision to turn north instead of south and go camping for a very welcomed few days' break in northern Michigan. The weather and region we were in were absolutely beautiful, and it was a nice break from the heat and humidity of the South, which most everyone down there is currently experiencing. God willing, one day we'll head back up during the fall time to enjoy the brilliant colors of the maple trees, drink some fresh-pressed apple cider and partake of some mouth-watering apple cider doughnuts that the region is famous for. It's an experience to behold, I assure you!

To wrap this up, we want to thank you for all you do for Fully Known Ministries. Without you, we could not do what the Lord has called us to do – preach the Gospel and make disciples of all nations.

Gunther the wonder dachshund greets you.

All our best,

Pat + Teresa
