The Kingdom of Saudi Arabia is a sovereign Arab Islamic State. Its religion is Islam, and its Islam is Wahhabism, one which calls for strict adherence to the letter of the Quran and the traditions and sayings of the Prophet Muhammad.

No official churches of any Christian denomination are allowed and it remains one of the few countries in the world where church buildings are forbidden. Conversion by a Muslim to another religion brings a death sentence, and proselytizing by a non-Muslim (preaching the gospel of Jesus Christ) is forbidden within its borders.

Ranked No. 13 out of the top 50 countries where it is most difficult to be a Christian today, Saudi Arabia is just one of the many closed Islamic countries where the good news of Jesus Christ must go. Thousands are dying every day and will spend an eternity in hell because they have no ability to call on the name of Jesus as their Savior. To call on Him, they must believe in Him, and in order to believe, they must hear. Jesus must be preached in these places, no matter what the obstacle placed in front of us is. This is why we continue to go, because *Jesus is worth it*.

As Patrick remains focused on his upcoming trip to the Arabian Peninsula, Teresa continues to accept invitations to minister in regional churches and has submitted to her publisher the final manuscript of her second book, ***Set Your Sights: Change Your Focus. Receive Your Healing***. With an anticipated release date of August 1, 2023, *Set Your Sights*

is a compilation of 365 of her much beloved daily devotions that are sent out to hundreds of Fully Known Ministries' subscribers. Keep your eye on our [Facebook](#)

[page](#) for updates, and don't forget to visit [our website](#) to sign up for the daily devotions!

August 8-12, 2023, will find us at the [Healing Is Here Conference](#) (click for more information) in Woodland Park, Colorado, where Teresa will have the honor of being interviewed by Andrew Wommack on Friday the 11th. Always drawing record attendance, this preeminent conference on healing will provide an exciting opportunity for Teresa to share on a national platform how the Lord healed her from Lupus and Sjögren's syndrome, among other illnesses.

In spite of what you see happening around the world, the Lord God continues to do wonderful things in the lives of those coming to Him. Purpose in your heart to keep your focus on Jesus, for only in Him does your peace lie. God bless you and your family as you consider supporting God's plans for us in carrying out the Great Commission.

All our best,

Pat & Teresa Houghteling
